

FEEDBACK ANALYSIS 2023-24

FEEDBACK ANALYSIS REPORT OF STUDENTS:

A detailed study was carried out based on the feedback collected from the students during the academic session of 2023-24. In the feedback form of the students, the students were asked questions on diverse areas of the present course curriculum, about college infrastructure and digital facilities and the quality of food available in the college campus. In response, almost 90% of the students from all the departments appear to be quite satisfied with the course content and finds it to be quite innovative in its approach. About 84% of the students have agreed that the present syllabus will boost up their level of confidence and will prepare them to face the hurdles of life. It will help them in preparation of their future professional life and also develop their spirit of critical thinking. They have found the college atmosphere very conducive to learning and are satisfied with the college digital facilities.

Suggestions from students:

1. Few students have suggested for addition of more books in the college library based on the newly implemented FYUGP syllabus under NEP 2020.
2. Few students have asked for addition of some indoor game equipments for leisure.

FEEDBACK ANALYSIS REPORT OF TEACHERS:

A detailed study was carried out among the teachers of the college regarding their views on the present syllabus and its scope keeping in view the multiple challenges of the present day world. They were asked to give their valuable feedback on the revised syllabus of the Gauhati University, whether it will help to develop students holistically and the need for introducing flexible curriculum and multidisciplinary approach.

Almost 90% of the teachers have agreed that the newly revised syllabus of the Gauhati University will enhance the quality of learning and will equip the students with 21st century skills such as critical thinking, effective communication, problem -solving and digital literacy. About 83% of the teachers have agreed that the present syllabus will offer the opportunity of employability to the students by providing them with knowledge of different skills. Regarding the use of ICT in classroom interaction, 30% take it on weekly basis, 60% on monthly basis and 10% on occasional basis.

Suggestions from Teachers:

1. Few teachers have suggested for addition of more classrooms in the present infrastructure keeping in view the need of the newly revised FYUGP syllabus structure of the Gauhati University.
2. Few teachers have suggested for addition of more journals in the college library.

ALUMNI FEEDBACK REPORT

A detailed study was carried out among a few alumni of the college regarding their views on the course content and its relevance in the present day world, how far the present syllabus offers the opportunity of employability and whether the present syllabus has helped to inculcate ethical and human values among the students.

Alumni Feedback analysis:-

Almost 88% of the alumni agree that the present syllabus will help the students in preparation for job interviews and the present syllabus will offer sufficient opportunity of employability. 78% of the alumni are satisfied with the revised syllabus of the Gauhati University and they have agreed that the present syllabus has helped to inculcate ethical and human values among the students.

Suggestions from Alumni:

1. Few alumni have suggested for providing campus placement facilities to the students by collaborating with various organisations.

ACTION TAKEN REPORT:

Based on the feedback survey, the following actions are taken:

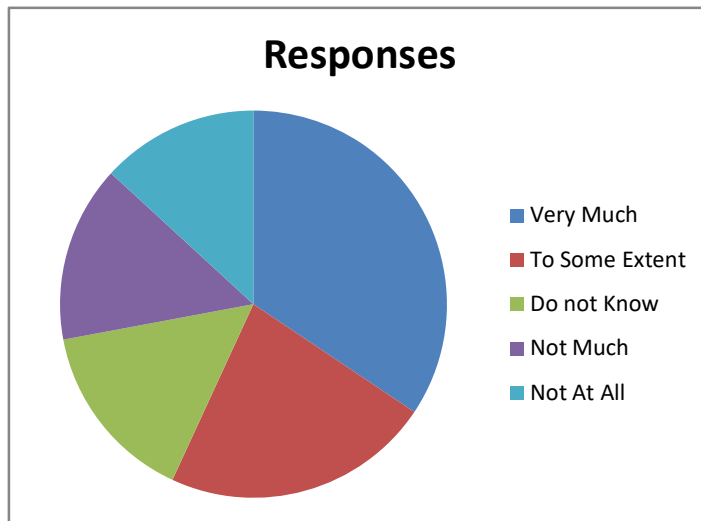

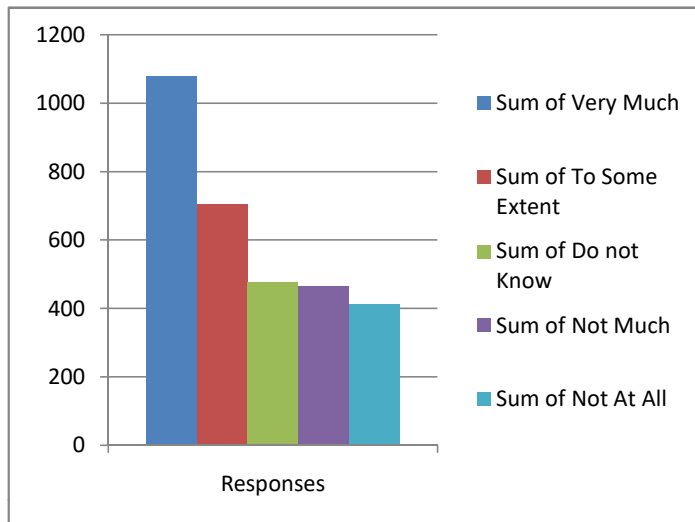

1. In order to help the students understand the present syllabus and its scope in the present day world, students' academic counselling is done at the beginning of the academic session through various orientation programmes related to the new subjects.
2. Every month, the college IQAC along with the different departments of the college conducts "Guest of the Month Programme" where experts from diverse fields are invited who interact with the students and offer them valuable career guidance.
3. Teachers are motivated to use ICT tools more regularly in their classroom interaction for enhancing better learning experience.
